MONTHS OF THE YEAR

GUIDELINES

What?

Calendars provide a great opportunity for learning all kinds of math skills, time management skills, and even help children prepare for upcoming events.

Learning concepts behind months of the year is as important as memorizing the names of each month.

Why?

Time is an abstract concept for younger children, but they can still gain basic understanding of what a calendar is and how it works. It familiarises them with concepts like days, weeks and the months of the year.

How?

Start with giving the child a calendar.

Puzzles help children to identify the month and days.

sing songs of months

Tell stories or share memories of the family and important timelines of the child that happened in each month.

You know how to tell time, you know
days of the week, time now to learn
the months of the year.
Ready?

Have you noticed your parents mentioning the name of the month when they are talking about an event like your birthday?

Yes?

Come on, let us learn the months
of the year in a fun way!

Any idea how many months there are
in a year?

There are 12
months in a
year!

Let us see how you can best
remember the months!

January

It is the first month of the year.

REPUBLIC DAY
26th of January

We celebrate “Republic Day” in the month of January.

February

is the second month of the year

FEBRUARY 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
31	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	1	2	3	4	5	6
7	8	9	10	11	12	13

February is the shortest month in the year. It has only 28 or 29 days.

March

is the third month of the year

It is the beginning of summer.

Do you remember playing Holi
in the month of March?

April

is the fourth month of the year.

April is the hottest month in northern India.

On April 1 we play pranks on others and call them April fool 😊

May

is the fifth month of the year

It is the hottest month in India.

On May 1 we celebrate Labor Day all over the world.

June and July start with letter J.

They are the sixth and seventh months of the year.

June and July are the months of the rainy or monsoon season in India.

August
is the eighth month of the year

Happy
Independence Day

We celebrate "Independence Day"
on 15th of August.

September

is the ninth month of the year

September is the almost the last month of the monsoon or rainy season.

October

is the tenth month of the year

Leaves start to fall months in the month of October. We also celebrate Dussehra. We get to eat a lot of yummy sweets and food.

November

is the eleventh month of the year.

HAPPY
Diwali

It starts to get cold in November. We also celebrate Diwali. We light up with house with diyas and we wish our friends “Happy Diwali”.

December

is the last month of the year.

December is the twelfth month. It is one of the coldest months of the year.

We celebrate Christmas in the month of December.

Alright! Let us
see what we
have learnt.

There are 12
months in a
year. Can you
say their
names?

Time for some singing. Ready? Shall we see these video first and learn the song?
