a book for geeks!

300m book from katha

Run, run, my little moon

zig and zag and zip down soon!

Climb the hill and swim the sea

Bring a jasmine flower for me!

TADAAA!

Just Imagine! What if you could swing on the moon?
And set all the birds free?

What if the moon had only white owls.
And tall empty castles.

What would you do?

If you were a flying horse who could fly
to the moon! Tell a story ...
When I landed on the moon it was like
Ice-cream? Milk Payasam? Rasogolla?

BIG IDEA

The Moon is big mystery. There is so much you can discover!

Would you like to be a Moon Explorer?

Man on the Moon! Can you see our Planet Earth behind him? And ... can you see India?

ACHIEVE!

Maybe you will find out more about outer space! Maybe you will be an astronaut like Kalpana Chawla!

THINK

If you could fly to the Moon, what will you see there?

ASK

Ask your mother why the moon grows big and small

DISCUSS

What happens during a lunar eclipse?

ACT

Look at the moon every night, and draw what you see in your notebook.
