

Story - Free Mountain

A Katha Khazana of activities

Class - 1

Activity name: Months of the year

Learning objective: To remember names of the months in a year, order the months of the year, state how many months there are in a year, and identify the month before and the month after a given month.

Pre-activity:

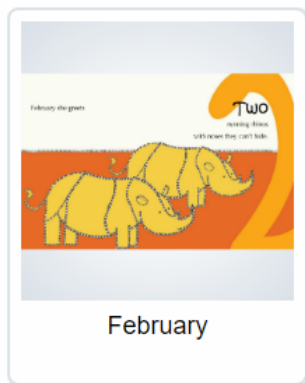

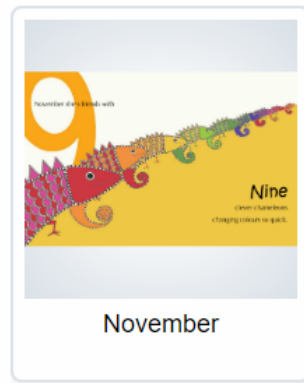

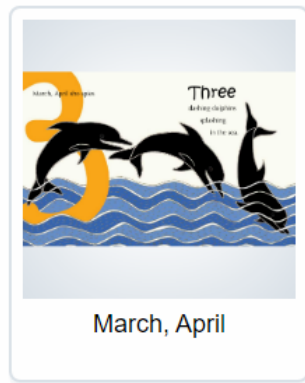

Think: How did you feel when you saw the mountains flying?

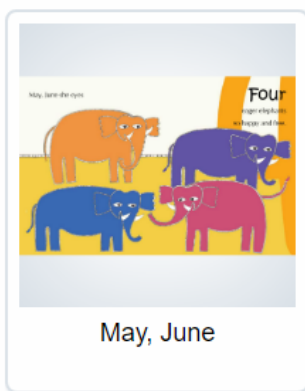

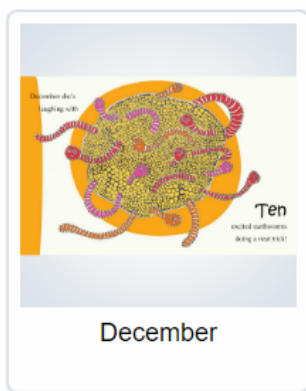

Ask: Do you have a special dream like the free mountain?

Discuss: What do you want to do throughout the year if you had wings to fly?

Act: The free mountain was lucky to make many friends throughout the year.

Sort the images in the activity sheet folder in the correct order of the months.

Activity Sheets 1

Activity Instructions:

1. Take a print out of the Activity Sheets 1 in the Activity sheets folder .
2. Ask students to sort the images in the order of the months in a year.

Subactivity:

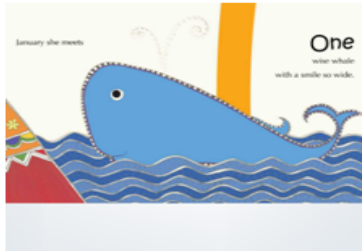

1. Make a song on months of the year with the story - Free Mountain.
2. Have children sit in a circle.
3. Ask the children to sing the song along with the teacher.
4. Ask the children which month comes before or after a given month.

Activity extension: The teacher can use the same images for counting or to teach addition of one digit numbers.

Activity name: Happy Birthday Class

Learning objective: To understand the calendar time, to identify the numbers corresponding to months and write the birth date in DD/MM/YYYY format and to organise the information in simple pictograph.

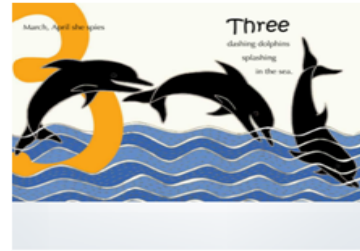

HAPPY BIRTHDAY CLASS

January

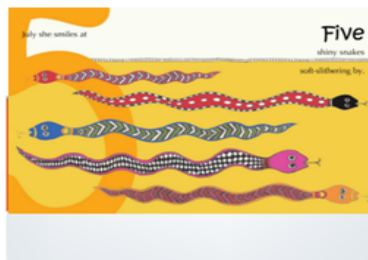

February

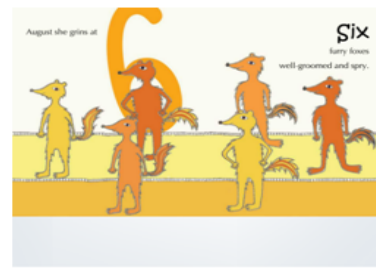

March, April

May, June

July

August

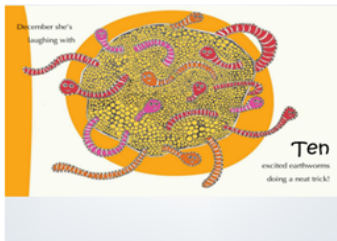

September

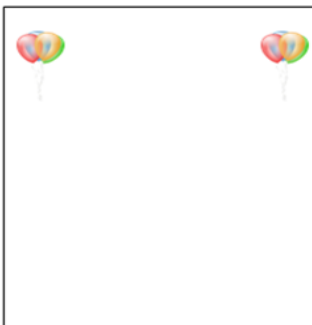

October

November

December

Activity Sheets 2

Activity Instructions:

1. Take a print out of the activity sheets 2.
2. Group the children into 12 groups according to the months they were born.

3. Ask the children to write their names and birthdate in the format DD/MM/YYYY in empty boxes corresponding to the month of the year.
4. Paste all the images of the months along with birthdates of children on a chart paper and hang it in the class.

Subactivity:

1. Have children do the matching activity.
2. Match the months to their corresponding numbers in the year.

A. January	12
