Learn for Joy and Fun

- TADAA! is a learning portal,
- with 100s of stories, games, videos and loads of activities
- Specially designed for children in government and low cost schools, the portal is equipped with a child- friendly, intuitive interface that makes searching for game, puzzles, books and videos, easy for kids.

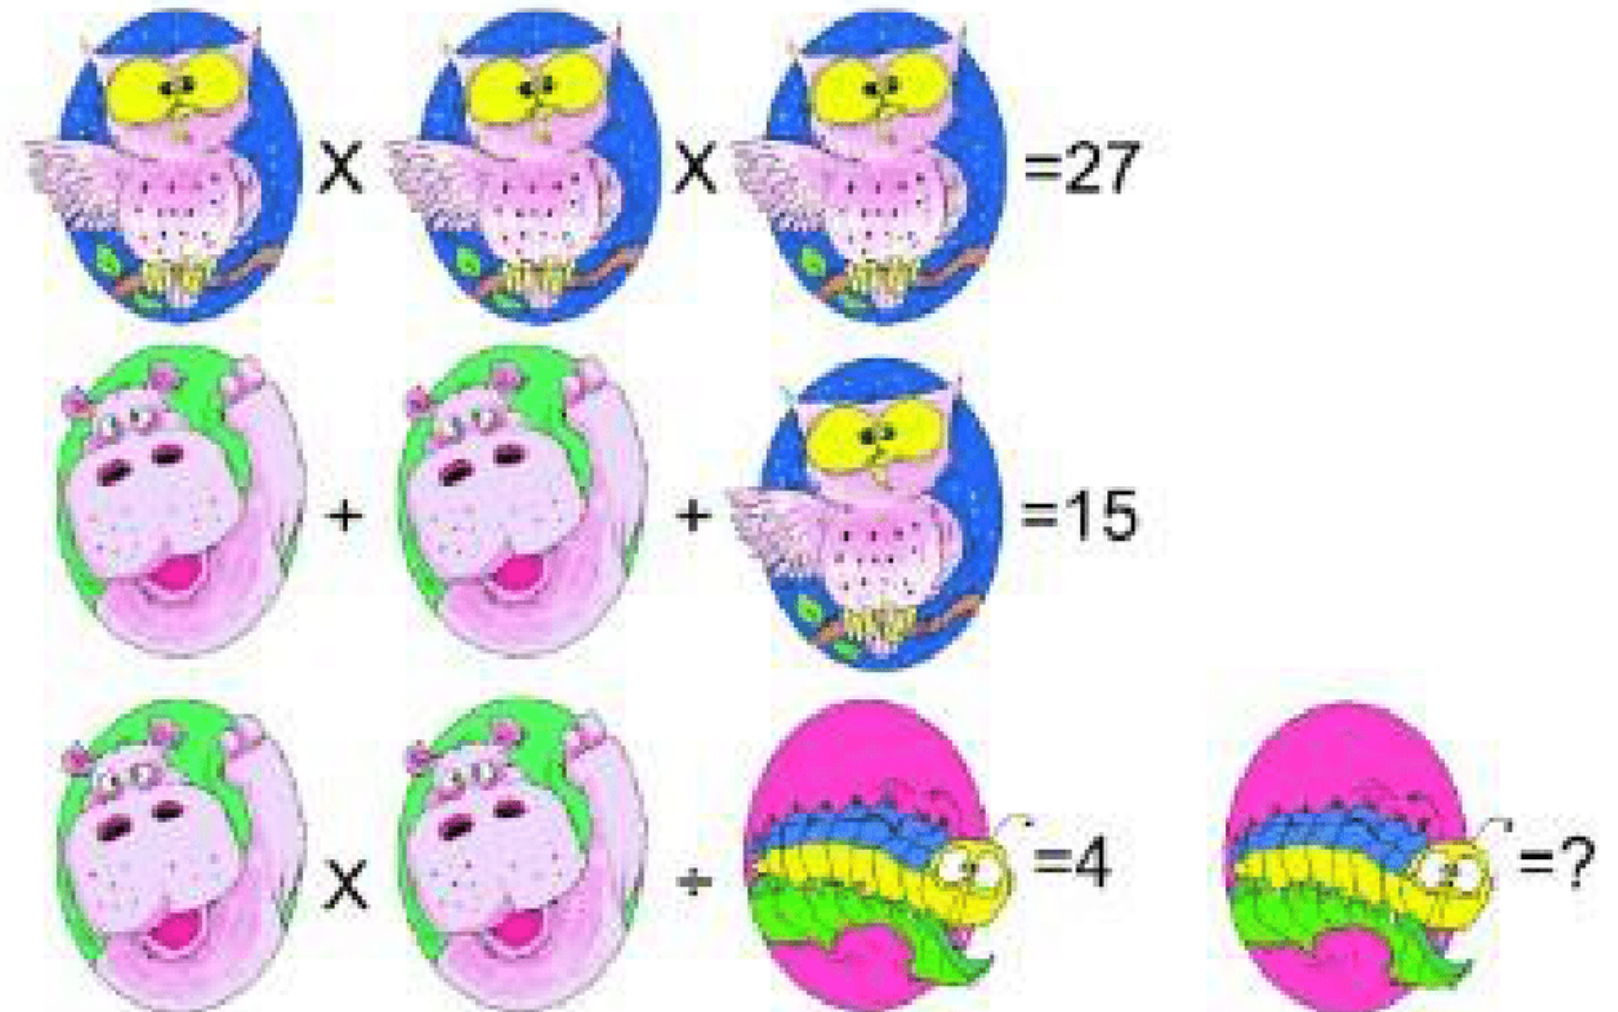

What's Special?

- An Active Story-Based Learning (ASBL) framework, based on stories, storybooks, and reading enhancement through a unique active story based learning called, Story Pedagogy.
- We introduce NEP 2020 learning skills for children and teachers.
- A continuum of learning from preschool to high school, aiming for all children reading for fun and meaning.
- A learning by doing method focuses on all around development on children.

Do you like solving puzzles?

Then here is a Hippopuzzle for you.
